

Juli Vieira

Designs By Juli Ann and Snuggly Babies

Juli has been sewing since she was eight years old and was first taught by her grandmother, Nina Renz, when they made Barbie doll clothes together. She designs beautiful hand-made quilts of all sizes, fleece baby blankets, quilted and pieced table runners, tote bags and more. Each item is made from high-quality fabrics and each is unique.

Designs By Juli Ann has been in business since the early 1980's and is based right here in Hollister. For that one-of-a-kind gift, stop by Serendipity to see Juli's latest designs.
