

Tina Stopper

Uniquely Yours Jewelry

Tina is a local Hollister jewelry artist who has been designing jewelry for two years. After being laid off from her job, she rediscovered a hobby she had when she was a teenager and began making jewelry for family and friends, which led to selling her wares and steadily building her customer base.

Tina primarily uses semi-precious stones when creating her jewelry and even tumbles some of her own stone pendants using a rock tumbler belonging to her dad, a rock hound himself. Her design style ranges from vintage to more contemporary. She loves to create one-of-a-kind and custom pieces so her customers can feel special about giving her jewelry or wearing it themselves.
